Forecast for Saturday 20 Mar 2021

Weather: A cloudy and generally dry start to the day, the cloud breaking and lifting to allow a few sunny spells during the morning. The afternoon continues bright with some sunny spells alternating with cloudy periods. Dry through the evening with some clear spells.

Chance of cloud free mountain/hill tops above 600m: Around 40% at first improving close to 90% through the morning. Chances fall again during the evening as cloud lowers.

Visibility: Occasional or periods of cloud about 600m at first lifting through the morning. Away from cloud visibility good or very good.
